

Bodybuilder's Bulletin

23 July 2013

Bulletin No. 126

ABBI (Advanced BodyBuilder Interface) - Newsletter

Please find a copy of the latest ABBI Newsletter from Munich attached.
(click on 'paperclip' icon in left hand page frame)

This highlights the latest changes that have been made to the web portal to improve registration, usability and navigation as defined below.

1. New version of the program
 - 1.1 Deleting all the search criteria
 - 1.2 Technical scope of delivery already released in Status "NEW"
 - 1.3. New opening screen
 - 1.4 Simplified registration procedure for the creation of new users by a body builder's administrators
2. Filled-in company profile as prerequisite for participation in GC transactions
3. Are your ABBI access authorisations suitable?

Should you have any queries on the above, please contact Engineering on 01793 448170.
Please circulate and then retain in the Body Builders Manual.
