

**Bulletin No.144**

**New GB (g11) Whole vehicle type approval for GB version of EU regulation 2018/858**

MAN Truck & Bus SE has obtained GB (g11) WVTA for the following MAN Truck and Bus types known for the UK market. These will be dual homologated with GB and EU WVTA.

The GB approval number found on the additional statutory plate homologated to the GB version of Regulation (EU) 2018/858. And the EU approval number will be on the statutory plate homologated to the EU version of Regulation (EU) 2018/858. Please note we advise, if possible, on your multi-stage approval to have both of the MAN GB and EU WVTA as your base vehicle approval. Please discuss this with your certification authorities.

The homologation change applies vehicle types listed with a Start of Production (SOP) after 01/09/2025.

This information is to all holders of a multi-level type approval based on a MAN type approval. Please note that the agreement on the multi-stage type approval procedure must be adapted based on Regulation (EU) 2018/858 accordingly.

We have produced the below table to help with amending your multi-stage approval to include the new GB (g11) approvals.

Please refer to page 3 and 4 for guidance how to access the GB (g11) approvals in TypMaster.

| Type           | GB (g11) Approval   | EU Approval        | Approval Class | Description                  |
|----------------|---------------------|--------------------|----------------|------------------------------|
| L.2018.858.001 | g11*2018/858*00861* | e1*2018/858*00073* | N3/N3G         | TGX/S 2 axle                 |

| B.2018.858.008 | g11*2018/858*00940* | e1*2018/858*00070* | M3             | 2 Axle Coach (Tourliner)     |
| B.2018.858.009 | g11*2018/858*00891* | e1*2018/858*00071* | M3             | 3 Axle Coach (Tourliner)     |

(For TGE product: Once all obtained a separate bulletin will communicate the GB g11 approvals).

*Should you have any queries on the above, please contact Type approval on  
01793 448000 or Email: [Typeapproval@man.eu](mailto:Typeapproval@man.eu)*

**Please circulate and then retain in the Body Builders Manual.**

## How to obtain access to TypMaster for MAN Approvals

For New body builders to obtain access to the MAN type approval portal called “TypMaster” you will need to complete the form” Questionnaire\_Multi\_Stage\_Agreement”. This is used to apply for access to TypMaster and an agreement for the multi-stage approvals (also known as Letter of association). Complete one or both sections as required. This form is also used for existing manufactures requiring updates to their agreement and updating access to TypMaster.

To obtain the form” Questionnaire\_Multi\_Stage\_Agreement” email: [salesengineering@man.eu](mailto:salesengineering@man.eu)

To renew or reset your password please email: [homologation-tools@man.eu](mailto:homologation-tools@man.eu)

Once you receive your log on, you can access TypeMaster using this link: <https://man-dd.typemaster.de>

Click on “This Way” to the English version

### **Willkommen bei TypMaster/DD V3**
