

Bulletin No.145

New TGE GB (g11) Whole vehicle type approval for GB version of EU regulation 2018/858

MAN Truck & Bus SE has obtained GB (g11) WVTA for the following MAN TGE types known for the GB market. These will be dual homologated with GB and EU WVTA.

Please note: GB legislation coming into force **from February 2026 M & N category vehicle types must holds a full GB or UKNI type approval (g11 or n11)** in order to be manufactured for sale in Great Britain.

The GB approval number found on the statutory plate homologated to the GB version of Regulation (EU) 2018/858. And the EU approval number will be on the statutory plate homologated to the EU version of Regulation (EU) 2018/858. Please note we advise, if possible, on your multi-stage approval to have both of the MAN GB and EU WVTA as your base vehicle approval if obtaining a GB multi-stage while permitted for a smooth transition. Please discuss this with your certification authorities.

The homologation change applies to vehicle types listed with Start of Production (SOP) after 31/01/2026.

This information is to all holders of a multi-level type approval based on a MAN type approval. Please note that the agreement on the multi-stage type approval procedure must be adapted based on Regulation (EU) 2018/858 accordingly.

Please note: GB legislation coming into force **from February 2026 M & N category vehicle types must holds a full GB or UKNI type approval (g11 or n11)** in order to be manufactured for sale in Great Britain.

We have produced the below table to help with amending your multi-stage approval to include the new GB (g11) approvals.

Please refer to page 3 and 4 for guidance how to access the GB (g11) approvals in TypMaster.

Function Type	GB (g11) Approval	EU Approval	Approval Class	Description
SYN1E	g11*2018/858*01182*	e1*2007/46*1626**	N1	TGE
SYN2E	g11* 2018/858*01147*	e1*2007/46*1627*	N2	TGE

01793 448000 or Email: Typeapproval@man.eu*

Please circulate and then retain in the Body Builders Manual.

How to obtain access to TypMaster for MAN Approvals

For New body builders to obtain access to the MAN type approval portal called “TypMaster” you will need to complete the form” Questionnaire_Multi_Stage_Agreement”. This is used to apply for access to TypMaster and an agreement for the multi-stage approvals (also known as Letter of association). Complete one or both sections as required. This form is also used for existing manufactures requiring updates to their agreement and updating access to TypMaster.

To obtain the form” Questionnaire_Multi_Stage_Agreement” email: salesengineering@man.eu

To renew or reset your password please email: homologation-tools@man.eu

Once you receive your log on, you can access TypeMaster using this link: <https://man-dd.typemaster.de>

Click on “This Way” to the English version

Willkommen bei TypMaster/DD V3

Please circulate and then retain in the Body Builders Manual.

Downloading GB type approval from TypMaster

When searching for the GB type approval document, the normal first steps apply:

In TypMaster click on the TGE tab

Then click in directive subject you will see the following.

Scroll down until to find Whole vehicle type approval and check the box as shown below, then click on OK.

Then go to and click on the search key that will show all whole vehicle approvals.

*Should you have any queries on the above, please contact Type approval on
01793 448000 or Email: Typeapproval@man.eu*

Please circulate and then retain in the Body Builders Manual.

If you wish to refine your search, entre the vehicle type in the “function type” and click on the search key. This will show the GB and the EU approvals for that type.
